

First Annual SBA Tri-County Faith-Based Small Business Summit SPONSORSHIP/EXHIBITOR PACKET

AmPac Tri State Certified Development Company, in conjunction with the U.S. Small Business Administration, is hosting its inaugural Faith-Based Small Business Summit – CONNECTING FAITH & BUSINESS...PRESERVING BUSINESS ETHICS IN DIFFICULT ECONOMIC TIMES, on Thursday, October 9, 2008 at the Ontario Convention Center.

The event targets business owners and prospective business owners in the faith-based community in the Tri-County region of San Bernardino, Riverside and Orange Counties, identified by the U.S. Census Bureau as the fastest growing metropolis in the country. Faith-Based leaders from more than 1,500 faith based organizations, representing over half a million parishioners, have been invited. Banks and financial leaders have also been invited from throughout this area.

The purpose of the Summit is to tangibly and practically promote President's Bush Faith-Based Initiative by inviting faith-based leaders and their "business owner" and "entrepreneur" congregants to a conference that will be educational, motivational and practical for sustaining, growing and expanding a business. The Summit will include information on the extensive resources of the U.S. Small Business Administration. To address the hardships many small business owners are facing and the tight credit markets in banking, the Summit will include workshops on surviving and thriving during a tight market, and how access to capital during challenging credit markets. The keynote speaker, Dr. Jeff Decker, well known professor at Biola University's School of Organization & Leadership, will discuss how to maintain business ethics and consistent customer service during difficult economic times.

Responding to the needs and requests of local Pastors, the Summit will also include workshops for non-profit organizations. We are inviting representatives from the President's Faith-Based initiative office, as well as several service providers for non-profits to be a part of the Summit.

The Summit is a great marketing opportunity to reach hundreds of influential community leaders and business owners who serve in the fastest growing metropolis in the country.
